## Join nearly 300 men for up to 9 days of all male, all nude fun, Sept. 17-26!

The sixth annual Fall West Coast Gathering will take place September 17-26, 2004, at a comfortable conference facility in the scenic heart of the Santa Monica Mountains, which is full of trees and has great views of the surrounding mountains. It will attract men from throughout North America, the Pacific and Europe.

Among the most popular features of the all nude gathering is the now famous, 88 degree Olympic-sized swimming pool.

Amenities include optional motel style rooms or heated cabins, modern restrooms, hot showers, and several hiking trails. Camping space is also available. All meals and non-alcoholic beverages are included. The camp is only 40 miles from Los Angeles.

## Daytime Activities

The large pool has proven to be a great place to relax in the Malibu Sun, play volleyball, meet new friends, take a water aerobics class, and to enjoy several afternoon special events.

Other popular daytime activities include:

- Hiking along local mountain trails
- Aerobics and exercise classes
- Educational seminars and workshops on a variety of subjects
- Massage classes
- Craft fairs
- Just for fun activities including body painting, dessert decorating, "boy buck" auctions and tea dances.

Evening shows may feature performances by popular comedians, musical performances, contests, and talent shows.

Activities after the shows include dancing, board games, cards, karaoke, bingo, movies and a "boy buck" casino.

## Register Early

You must pre-register. There is no on-site registration. You can register for the weekend session, the week session or both. Because the CMEN West Coast Gatherings are produced by volunteers, the price to attend is amazingly low. Previous fall events have sold out early. Don't be left out!
